Manufacturer's Declaration POP Regulation – Regulation (EU) 2019/1021

Issuer: Ocono Ruhrkunststoff GmbH (Weseler Str. 35 | 45478 Mülheim an der Ruhr)

Subject of the Declaration:

Declaration of conformity of the products and plastics supplied by us with the requirements of Regulation (EU) 2019/1021 of the European Parliament and of the Council on persistent organic pollutants (POP Regulation). We hereby declare, **Ocono Ruhrkunststoff GmbH**, that the products manufactured and supplied by us comply with the applicable requirements of the European **POP Regulation (Regulation (EU) 2019/1021)** in its currently valid version. **Confirmation regarding Substance Prohibitions and Restrictions (Annex I):**

We specifically confirm that the products supplied by us and their packaging do not contain the persistent organic pollutants regulated in Annex I of the POP Regulation or that they fall below the legally established limit values / unintentional trace contaminants. This applies, among others, to critical flame retardants, plasticizers, and pollutants such as:

- **Decabromodiphenyl ether (DecaBDE)** – CAS No. 1163-19-5 (as well as other polybrominated diphenyl ethers / PBDEs)
- **Hexabromocyclododecane (HBCDD)** – CAS No. 25637-99-4 / 3194-55-6
- **Perfluorooctanoic acid (PFOA)**, its salts and PFOA-related compounds
- **Perfluorooctane sulfonic acid (PFOS)** and its derivatives
- **Short-chain chlorinated paraffins (SCCPs)** – CAS No. 85535-84-8

Quality Assurance and Supply Chain: Compliance with these regulations is based on the information and confirmations currently available to us from our raw material suppliers. We conduct regular reviews of our supply chain to ensure the continuous conformity of our products.

Should any changes occur in the composition of our products that affect POP conformity, we will inform our customers immediately.

Sincerely

Quality Assurance | Ocono Ruhrkunststoff GmbH
