Manufacturer's Declaration TSCA (Toxic Substances Control Act)

Issuer: Ocono Ruhrkunststoff GmbH, Weseler Str. 35, 45478 Mülheim an der Ruhr

Subject of the Declaration: Declaration of conformity of the products and plastics we supply with the requirements of the United States Toxic Substances Control Act (TSCA). We, Ocono Ruhrkunststoff GmbH, hereby declare that the products we manufacture and supply comply with the applicable requirements of the U.S. Toxic Substances Control Act (TSCA) in its currently effective version. Confirmation Regarding TSCA Section 6(h) (PBT Substances): In particular, we confirm that the products we supply and their packaging do not contain the following five persistent, bioaccumulative, and toxic (PBT) substances subject to the restrictions under TSCA Section 6(h), or that their concentrations are below the specified limits:

- **PIP (3:1) (phenol, isopropylated phosphate (3:1)) – CAS No. 68937-41-7**
- **DecaBDE (decabromodiphenyl ether) – CAS No. 1163-19-5**
- **2,4,6-TTBP (2,4,6-tri-tert-butylphenol) – CAS No. 732-26-3**
- **HCBD (hexachlorobutadiene) – CAS No. 87-68-3**
- **PCTP (pentachlorothiophenol) – CAS No. 133-49-3**

Quality Assurance and Supply Chain: Compliance with these requirements is based on the information available to us and confirmations from our raw material suppliers. We conduct regular audits of our supply chain to ensure the ongoing compliance of our products. Should any changes occur in the composition of our products that affect TSCA compliance, we will inform our customers immediately.

Sincerely

Quality Assurance | Ocono Ruhrkunststoff GmbH
